

C2 CLAY FIGHTER 2 JUDGEMENT CLAY

It's **ROUND 2** for Clay Fighter.

**IS IT A MELTDOWN FOR BAD MR. FROSTY
OR NASTA LA VISTA, BUNNY?**

Bad Mister Frosty is buffed up and faster than greased lightning. The surly snowman has mayhem on his mind ... but there's some bunny new in town with a hare-trigger temper. You can bet the fur will fly as the wild hare unleashes a barrage of blistering rabbit punches on Bad Mister Frosty. Could there be a new top bunny in town, or will he get his cottontail kicked?

Clay Fighter 2 is juiced up with 24 MEGS of speed and power, so the action is blazin' hot. It's got twice the clay animation, six new characters and all new moves. With awesome special attacks, and a ringside announcer calling the bout, C2: Judgement Clay is a total knockout!

- New characters join Bad Mister Frosty and the Blob; Hoppy (the bad bunny), Kan Goo, Nana Man, Octohead, GooGoo, and a slew of others
- Over twice the clay animation of the first game
- 6 different tournament types
- New Super Attacks!
- Faster game play - with plenty of hidden moves and surprises
- New Combat engine for better performance and handling - no cheese!
- New and improved clay modeling throughout
- 24 megs of clean, fun fighting (still no blood and guts)
